Re: Enrollment 2010-11

Dear Parents,

It is my pleasure to invite you to exercise your right to school choice. Montessori Academy is an excelling school and is among the highest performing schools in Arizona. We are proud to have a highly qualified teaching staff, proven teaching techniques, and a strong and responsive parent run School Board. Our school community offers diversity, leadership opportunities, and family involvement. Our students are smart, creative, motivated to learn, and independent. Our teachers are caring, patient, and dedicated to each individual student's growth. Our philosophy and teaching methods encompass the "whole child" and have proven results. This is why so many parents choose Montessori Academy for their children's education through Middle School.

If you have had the opportunity to tour our current facility, you know that we are in the process of purchasing a new school site, approximately 7 miles North of our current site. We will be adding new classrooms for all program levels. We will begin accepting open enrollment applications January 25th at 7:00am for our current site enrollment and our pending expanded enrollment.

Enclosed you will find your enrollment materials. To have your child attend Montessori Academy in the Fall of 2010, please return all registration materials to the front office beginning January 25th. All packets must be complete to be accepted. Our enrollment process is governed by our charter documents. If space is not available, you will be placed on the waiting list and we will contact you as soon as space is available. Our escrow should close on March 1, 2010 making it possible to accept additional students. Our waiting list is a lottery system. When a space becomes available within a particular program level, we will randomly select an applicant. Siblings do have priority and may return their contracts at any time.

As you make your decision to enroll your child, please affirm that you agree with the philosophy of the school, the rules of the school, and that you will be an active member of the school's community.

On a personal note, I want to thank you for choosing Montessori Academy and making an informed decision to be a part of a team that continues to improve the quality of education for our children. I look forward to working with all of you next school year!

Respectfully,

Julianne N. Lewis

Executive Director/Principal
Montessori Academy
