Tutoring for students entering grades 4th—10th grade:

Tutoring will be offered in Math, Reading Comprehension, Science, and Writing. This is offered during summer school hours by a qualified High School Student, supervised by the Director of Education at an additional cost of \$10.00/hour, payable to the tutor.

Accelerated Math Course will be offered—Course 3, Pre-Algebra, and Algebra for qualified students

Register for tutoring/Math course at the school office.

## Swimming

Early Education students will enjoy Water Day at school. We have wading pools and water toys to cool down those hot summer days.

Elementary students will adventure over to a local swimming pool for an afternoon of swimming, splashing, and fun with friends.

Bathing suits and towels can be worn or brought to school.

Sunscreen is a must for this day and a good idea for every other day.

A signed permission slip for all activities requiring transportation is required.
